Chatroom Instructions

The chatroom link is here: http://loveandempowerment.com/grace_chat.html

The name of the chatroom *is Sanctuary*

The room will not be password protected.

When you have never been to this chatroom, you will have to register. Please follow the registration instructions below.

When you have registered in the chatroom already, you will NOT have to re-register unless you want to change your chat name.

You have registered for the chatroom, but lost your password?
Then go to the chatroom and click on the link Register Name / Update Password shown in the picture below. In the following window please click on "**Forgot your password?**" and follow the instructions. You will get an email with your new password. If you don't get this mail, please check your spam folders. You can change your password again to something you prefer, when you click on "**Log in to change settings.**"

Please make sure that the most recent version of Java is installed on your computer. If the chatroom does not work for you, it is mostly a problem with Java. Here you can find the free Java download: www.java.com/

If you cannot find an answer to your question you can contact us via the contact form:
