

CRACKING THE MONEY BANDS ONLINE COURSE

Facilitated by the Love and Empowerment Team

Beginning July 18, 2016

- A. BACKGROUND:** In July, 2004, the Archangel Metatron, through his human co-creators, Reniyah Wolf and Eva Breiteig, put the new age internet communities in an uproar by announcing a group alchemy working on the subject of "Money." He said that he would only do this alchemy once, and so it was. The one and only *Cracking the Money Bands* group alchemy work had 700 participants.

We first offered a course on applying the *Cracking the Money Bands* Messages in 2007, available to our ongoing group of Divine Alchemists. In 2011, we offered a "new and improved" course to new participants incorporating additional knowledge that we have gained in our subsequent alchemical work with Metatron. Now, in 2016, we are offering the course in a self-study format to anyone who feels called to participate.

- B. DESCRIPTION:** This self-paced online course explores the information contained in the nine Messages of the *Cracking the Money Bands* group alchemy given by the Archangel Metatron in 2004, through Reniyah Wolf. This course is "non-sectarian" and structured to be useful to anyone who is aware of and open to a human's potential to actively co-create his/her own experience of reality.

- C. TUITION:** \$54.00 USD (PayPal and postal mail)

- D. ORGANIZATION:** The course will take place in *Love and Empowerment's* online academy. Material and assignments will be posted and divided into 11 topics. There is a discussion forum so that students can ask questions and discuss the material with the facilitators. Students are also encouraged to share about their assignments and experiences in the discussion forum.

- E. COURSE OBJECTIVES:** The emphasis of the course will be on the student learning to apply the information contained in the Messages in personal life, toward the end result of ending personal enslavement to "money" and the creation of true abundance in life.

- F. COURSE TOPICS:**

Topic 1: The applicable laws of the universe in which we live

Topic 2: Message 1 - *What is Money?*

Topic 3: Message 2 - *The Nature of an Energy Flow*

Topic 4: Message 3 - *What is Spiritual?*

Topic 5: Message 4 - *Releasing the Vow of Poverty*

- G. **TEXT AND REQUIRED SUPPLIES:** Students need a valid email address and access to a computer with an internet connection. Adobe Reader will be necessary for reading pdf files-
- H. **ASSIGNMENTS:** Assignments are included within the course to assist the participant in learning to apply the information in life. Participants are encouraged to share about their experiences with the assignments on the discussion forum. There is no grading system for this course. One will get out of this course according to the amount of energy one puts in.
- I. **COURSE RULES OF CONDUCT:**
1. Conduct yourself as you would in any sacred space or other online classroom; no flaming or firefights will be tolerated. Be respectful of other students and your facilitators!
 2. No promotion or advertising of goods and services will be allowed in the discussion forum.
 3. No posting of large blocks of information from external websites or forwarded emails on the discussion forum, especially not those irrelevant to the course material. Use links, if you feel that something is relevant to the material being covered.
- J. **SUGGESTIONS FOR SUCCESS:**

Approach this material with an open mind, even if you have read it before, even many times, or think you know everything there is to know about the law of attraction and conscious creation/manifesting.

Do the assignments and share about your experience on the discussion forum. Entering into lively discussion promotes real understanding and exposes you to new ideas about application in your own life.
